

BROCKWORTH STRATEGIC PLAN COMMUNITY SURVEY

Dear Resident

We are preparing a Strategic Plan for Brockworth to guide how the community will develop over the next 10-15 years. To do this we need to understand how our community uses existing facilities. For example, we need to understand what they value about them, how often they're used, what could be improved, and what new facilities might be needed in the future.

In order to do this, we need the help of our residents. We'd be grateful if you could complete this brief questionnaire to let the Parish Council your views.

All replies are completely confidential.

Thank you for your help.
